CASE NO. C19-2089JLR

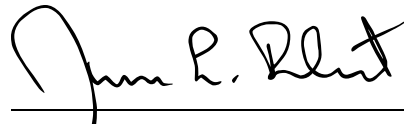

ORDER OF DISMISSAL

On January 10, 2023, the parties notified the court that they had reached settlement and all claims against all parties had been resolved. (Not. (Dkt. # 42).) The

1 parties further advised that if a certificate of settlement without dismissal is not filed
2 within 60 days after the written notice of settlement is filed, the court may dismiss the
3 matter. (*Id.*) That deadline has now passed, and it appears that no issue remains for the
4 court's determination. Accordingly, the court ORDERS that this action and all claims
5 asserted herein are DISMISSED with prejudice and without costs to any party.

6 In the event settlement is not perfected, any party may move to reopen the case,
7 provided such motion is filed within **60** days of the date of this order. Any trial date and
8 pretrial dates previously set are hereby VACATED.

9 Dated this 13th day of March, 2023.
